CHANNEL ISLAND (C.I) FLIGHTS  
COACH BOOKINGS FOR SOUTHAMPTON (SOU) AIRPORT  
 (2018 - 2019 academic year)

Canford operates an automatic coach booking and billing system for all pupils who commute to and from the Channel Islands at the start and finish of term, half-term and exeat weekends. The signature acceptance form, as printed below, will register a pupil on the list *for the duration of their time at Canford School.*

You will automatically be billed at the end of term for all of the above services unless you email [Transport@canford.com](mailto:Transport@canford.com) stating that you do not, or did not, require a booking on a particular date. The coach has more than enough seats to accommodate all Channel Island pupils at Canford so please be assured that no one will be left behind through lack of seating capacity.

As always, it would be prudent to have a contingency plan for your child/children in the event of overnight air and sea delays to the Channel Islands caused by adverse weather conditions.

- Coach transfer times from both school and airport for the start and end of term, half term and Fixed exeats will be updated on a temply basis and emailed to all Channel Island parents of Canford pupils.
- Airport pick up timings are structured to link with the current Flybe C.I. flight timetable, in particular the popular flights for Jersey based commuters. However, timetable variations can, and do, occur with Flybe so please check and direct any concerns or queries to [Transport@canford.com](mailto:Transport@canford.com)

Please complete and return this form if you require automatic coach bookings and billings for Channel Island flights at the start and the finish of terms, half-terms and exeat weekends. Email notification by parent or legal guardian is required in the event of cancellation.
